

duetto

The all-new **DUETTO** 4-bottle model is your ideal entry-level wine dispensing system for either behind the bar use in a commercial setting or for wine enthusiasts to use at home. Effortlessly load four bottles to preserve and serve your wine by the glass at the optional temperature while preventing costly spoilage or over-pouring.

The new “Series 2” dispenser’s main characteristics are the ease of use and the high technologic advancements adapted into a compact space with industrial grade reliability and a 2-year warranty.

The DUETTO is the first preservation system to feature two completely independent climatic zones.

FEATURES

❖ Serving Temperature and Configuration

- 4 Red Wines or 4 White Wines from 43°-65° F
- 2 Reds + 2 White Wines from 43°-65° F

❖ Usage Configuration

- Behind the Bar (for Staff Use Only)
